## Duration of cookies

Some cookies (session cookies) remain active only until you close your browser or log out of the execution of the command (if any). Other cookies "survive" the closure of the browser and are also available in future visits.

These cookies are known as persistent and their duration is set by the server at the time of their creation. In some cases there is fixed a deadline, in other cases the duration is unlimited. M.D. Drp. Stefania Paesani does not use persistent cookies.

However, browsing the pages of the site stefaniapaesani.it, you can interact with sites operated by third parties that can create or modify persistent cookies and profiling.

## Management of cookies

The user can decide whether to accept cookies using the settings on your browser.

**Warning:** Disabling all or part of the technical cookies can compromise the use of the functionality of the site for registered users (if any). On the contrary, the usability of public content is also possible to completely disabling cookies. Disabling cookies "third party" does not prejudice in any way the navigability.

The setting can be defined specifically for different websites and web applications. Furthermore the best browsers allow you to define different settings for cookies "owners" and those of "third parties".

For example, in Firefox through the menu Tools -> Options -> Privacy, you can access a control panel where it is allowed to define whether or not to accept the different types of cookies and remove them.
